### Independent Accountant's Report on Applying Agreed-Upon Procedures

To the Honorable Mayor and Members of the City Council:

I performed the procedures below, which were established at Iowa Code Chapter 11.6, to provide oversight of Iowa cities. Accordingly, I have applied certain procedures to selected accounting records and related information of the City of Shueyville for the period July 1, 2022 through June 30, 2023, including procedures related to the City's compliance with certain Code of Iowa requirements identified below. The City of Shueyville's management, which agreed to the performance of the procedures performed, is responsible for compliance with these requirements and for the City's records.

This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards for attestation engagements contained in Government Auditing Standards, issued by the Comptroller General of the United States. The City of Shueyville's management has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose to report, in accordance with Chapter 11.6 of the Code of Iowa, recommendations pertaining to selected accounting records and related information of the City including the City's compliance with certain Code of Iowa requirements. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

The procedures I performed are summarized as follows:

1. I observed selected City Council meeting minutes for compliance with Chapters 21, 372.13(6) and 380 of the Code of Iowa.
2. I obtained an understanding of the City's internal controls to determine if proper control procedures are in place and incompatible duties, from a control standpoint, are not performed by the same employee.
3. I observed surety bond coverage for compliance with Chapter 64 of the Code of Iowa.
4. I obtained and observed the City Clerk's financial reports and selected bank reconciliations to determine whether the bank balances properly reconciled to the general ledger account balances and monthly financial reports provided to the City Council.
5. I scanned City funds for consistency with the City Finance Committee's recommended Uniform Chart of Accounts (COA) and to determine required funds and fund balances are properly maintained and accurately accounted for.
6. I observed the City's fiscal year 2022 Annual Financial Report (the Report that was due during the fiscal year under examination) to determine whether it was completed and accurately reflects the City's financial information.
7. The City had no investments during the fiscal year under examination.
8. I scanned depository resolutions, the City's investment policy and reporting of unclaimed property to the State of Iowa to determine compliance with Chapters 12C.2, 12B.10B and 556.1(12) of the Code of Iowa.

9. I scanned debt, including general obligation bonds/notes, and related transactions for proper authorization and compliance with Chapters 75, 384 and 403.9 of the Code of Iowa and to determine whether the debt and related proceeds and repayments were properly accounted for.
10. I scanned selected tax increment financing (TIF) transactions, including receipts, disbursements and transfers, for compliance and accurate accounting, including compliance with the TIF reporting requirements of Chapter 384.22 of the Code of Iowa.
11. I observed the City's TIF debt certification forms filed with the County Auditor, including requests for collection of reduced TIF amounts and to decertify certain TIF obligations, as applicable, for proper support and compliance with Chapter 403.19(6) of the Code of Iowa.
12. I traced selected receipts to accurate accounting and consistency with the recommended COA.
13. The City had no voter approved levies.
14. I traced selected disbursements to proper approval, adequate supporting documentation, accurate accounting and consistency with the recommended COA and compliance with the public purpose criteria established by Article III, Section 31 of the Constitution of the State of Iowa.
15. I traced transfers between funds to proper authorization and accurate accounting and determined whether transfers were proper.
16. I traced selected payroll and related transactions to proper authorization and accurate accounting and determined whether payroll was proper.
17. I observed the annual certified budget for proper authorization, certification and timely amendment.

Based on the performance of the procedures described above, I identified various findings and recommendations for the City. My findings and recommendations are described in the Detailed Findings and Recommendations section of this report. Unless reported in the Detailed Findings and Recommendations, no items of non-compliance were noted during the performance of the specific procedures listed above.

I was engaged by the City of Shueyville's management to perform this agreed-upon procedures engagement and conducted my engagement in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standards for attestation engagements contained in Government Auditing Standards, issued by the Comptroller General of the United States. I was not engaged to and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on specific accounting records and related information of the City, including compliance with specific Code of Iowa requirements. Accordingly, I do not express such an opinion or conclusion. Had I performed additional procedures, other matters might have come to my attention that would have been reported to you.

I am required to be independent of the City of Shueyville and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements related to my agreed-upon procedures engagement.

The purpose of this report is to report, in accordance with Chapter 11.6 of the Code of Iowa, certain agreed-upon procedures and the resulting findings and recommendations pertaining to selected accounting records and related information of the City, including the City's compliance with certain Code of Iowa requirements. This report is not suitable for any other purpose.

I would like to acknowledge the many courtesies and assistance extended to me by personnel of the City of Shueyville during the course of the agreed-upon procedures engagement. Should you have any questions concerning any of the above matters, I would be pleased to discuss them with you at your convenience.

November 30, 2023

Ted M. Wiegand, CPA

City of Shueyville

Detailed Findings and Recommendations

For the period July 1, 2022 through June 30, 2023

(A) Segregation of Duties – Management is responsible for establishing and maintaining internal control. A good system of internal control provides for adequate segregation of duties so no one individual handles a transaction from its inception to completion. In order to maintain proper internal control, duties should be segregated so the authorization, custody and recording of transactions are not under the control of the same employee. This segregation of duties helps prevent losses from employee error or dishonesty and maximizes the accuracy of the City’s financial statements. Generally, one individual has control over each of the following areas for the City:

- (1) Cash – handling, reconciling and recording.
- (2) Receipts – opening mail, collecting, depositing, recording, reconciling and posting.
- (3) Disbursements – purchasing, invoice processing, check writing, mailing, reconciling and recording.
- (4) Payroll – recordkeeping, preparing and distributing.
- (5) Financial reporting – preparing and reconciling.
- (6) Journal entries – preparing and recording.

Recommendation – I realize segregation of duties is difficult with a limited number of employees. However, the City should review its control procedures to obtain the maximum internal control possible under the circumstances utilizing currently available staff, including elected officials. Independent reviews of reconciliations should be documented by the signature or initials of the reviewer and the date of the review.

(B) Certified Budget – Disbursements during the year ended June 30, 2023 exceeded the amounts budgeted in the public safety, health and social services, and debt service functions. Chapter 384.20 of the Code of Iowa states, in part, “Public monies may not be expended or encumbered except under an annual or continuing appropriation.”

Recommendation – The budget should be amended in accordance with Chapter 384.18 of the Code of Iowa before disbursements exceed the budget.

(C) Electronic Check Retention – Chapter 554D.114 of the Code of Iowa allows the City to retain cancelled checks in an electronic format and requires retention in this manner to include an image of both the front and back of each cancelled check. The City has not been receiving and retaining images of the backs of cancelled checks.

Recommendation – The City should contact the banks and inform them that the City is required to retain images of the fronts and backs of cancelled checks as required by Chapter 554D.114 of the Code of Iowa.

(D) Annual Financial Report – I observed the Annual Financial Report (AFR) for the fiscal year ending June 30, 2022 and noted that the ending cash balances were understated \$1,427. The opening balances reported on the June 30, 2023 AFR differed from the June 30, 2022 balance by \$353.

Recommendation – When filing the AFR for fiscal year 2024, the Clerk should ensure that opening balances agree with the reconciled cash balances at June 30, 2023.

City of Shueyville

Detailed Findings and Recommendations

For the period July 1, 2022 through June 30, 2023

- (E) Transfers between funds – There was no Council resolution approving an inter-fund transfer of American Rescue Plan funds of \$46,594.72 from the General Fund to the Road Use Tax fund.

Recommendation – The Council should approve a resolution for any inter-fund transfers that will be made. The resolution should include the funds involved, the amount, and a clear statement of the reason or purpose of the transfer.

- (F) Business transactions - Business transactions between the City and City officials are detailed as follows:

Chris Lacey, City Council	Contractual Services	FY23 total - \$6,155
---------------------------	----------------------	----------------------

In accordance with Chapter 362.5(3)(j) of the Code of Iowa, the transactions may represent a conflict of interest since total transactions were more than \$6,000 during the fiscal year and the contracts were not competitively bid.

Recommendation – The City should consult legal counsel to determine the disposition of this matter.
