The reason for this request is because Cargill will approve the sale of more salt through the winter season to the city over a private contractor. Cargill will deliver salt to Rob Brown and he in turn will store the salt and only use it for city use. Rob Brown will remove the price of the salt from his bid. He will call the Shueyville town clerk for reorder.
2. Foss motioned to approve the Cargill quoted rate of \$97 per ton of salt, delivered: Frisk seconded. All ayes- motion carried.
